

Comets United: Employee Return To Campus Trainings

UT Dallas Faculty and Staff are encouraged to attend a *Comets United: Employee Return to Campus* training session to learn more about employee guidelines and procedures related to COVID-19. The 1.5 hour session provide by the Office of Human Resources and the Office of Emergency Management will focus on the following:

- Requirements and expectations of faculty and staff working on campus
- The daily heath screening process
- Campus tracing process for employees
- Supervisor responsibilities and expectations for mitigating and reporting exposure
- Resources available for faculty and staff

This additional training will serve as a supplement to the required return to campus on-line training and is not to be considered a replacement or alternative. To attend, please choose the date that works best for you and use the link below to join the Teams Live event.
