WE WANT TO HEAR FROM YOU!
Open to all faculty and staff.

Sponsored by the Office of Human Resources

UTD is competing for talent in a very rich community of employers.

An employment brand is a recruiting tool that is used to communicate to perspective employees what it is like to work at UTD.

We are looking for engaged employees to share their UTD story. Information gathered from these focus groups will be used to show perspective employees why UTD is a great place to work!

*Seating is limited
