

## UT Dallas is upgrading PeopleSoft HCM and FMS

*Gemini HR and Gemini Financials*

*Upgrade scheduled for Spring 2019*

	CURRENT	FUTURE
PeopleSoft Application	9.1	9.2
PeopleTools (technical tools for OIT developers)	8.55.12	8.56

What to Expect

*\*Different look & feel\**

*\*Upgrade existing functionality first\**

*\*Bells & whistles to follow in stages\**

### Status

- UTD Developers and consultants completed retrofits
- BPAs and Functional teams testing since late July
- 1<sup>st</sup> round of testing ends September 7
- 2<sup>nd</sup> round of testing to start October 22
- Look and feel different, some pages more significant than others
  - Example: TIMESHEET–Reported time summary & absence requests in grid now
  - Time Admin meeting to be scheduled in November
